Loved Myera! Incredibly helpful, willing to work with me to answer my questions and help me clarify concepts. Best TA experience I've had!
Myera was really good at explaining concepts clearly and patiently. She is great!
harsh grader
The TA was incredible. She was great at answering questions very clearly. She was very available to students.
Myera was great – very knowledgeable and clear, offering clarity to exams and papers when asked. Great at explaining topics and willing to go the extra mile to ensure full understanding without prompting. Creates comfortable environment to ask questions.
Myera is a great TA and was very helpful with any questions I had. She really took the time to make sure each student understood the answers to their questions. She also was very receptive to any suggestions and made adjustments almost immediately.
Super helpful in office hours and provided detailed feedback on assignments.
Didn't work with her but graded fairly
Myera did not return feedback until after the second written assignment. While it was explained to us she had extenuating circumstances this quarter, this made improving my grade clearer only after 2 written assignments and a midterm already past.
Great TA. Despite this being her first TA job, she was extremely effective in communicating ideas, grading, and providing feedback. Very prepared and open as well. Well done! Thank you Myera.
Myera was very responsive to emails and very helpful during office hours!
